media information

The weekly eMagazine
that delivers
BRANDING and **LEADS**
with names, titles,
companies, emails,
and more...

AWARENESS ■ TRAFFIC ■ BRANDING ■ LEADS

Put your message directly in front of your buyers. Designfax delivers a weekly opt-in audience of 35,000 OEM design professionals to help you build branding awareness, web traffic, and full contact LEADS (names, titles, addresses, emails, and more) delivered daily.

With fresh content sent weekly, (48 issues annually), there are plenty of opportunities to build your brand and your sales.

The Designfax weekly eMagazine's editorial content links to dedicated Designfax web pages for even more branding and lead opportunities. Sponsor a product page with your banner or button. Choose from Motion Control, Mechanical, Electrical/Electronic, Fluid Power, or Software Web pages and receive additional leads from buyers who visit that page.

Your Designfax ad includes a logo or product photo, up to 75 words of text, and up to three links to your website. And with only five advertisers per issue, your message gets the attention you need. Or run your video (linked from your website) for added impact PLUS full contact leads!

COMPARE: Designfax delivers ROI for less.

Pay-by-the-click media delivers only an anonymous number of clicks.

Designfax delivers branding and verifiable leads you can act on today!
